

Remarks

Claim 10 has been amended to correct minor grammatical, clerical, and antecedent basis issues.

It is submitted that this amendment goes only to matters of form and does not change the scope of the claims. It is further submitted that this amendment may be properly entered pursuant to Order 3311.

An early indication of the entry of this amendment is requested.

If any fees are due in connection with this Amendment, the authorization to charge deposit account 14-1270 for the fees associated therewith is hereby provided.

Respectfully submitted,

/Yan Glickberg/
